ATTACHMENT A

On January 31, 1996, Daniel MONCIVIAIS was convicted at the 49th Judicial District Court, in Webb County, Texas for “Possession of a Controlled Substance” (Cocaine), a 2nd Degree Felony Offense in the State of Texas, that is punishable by imprisonment for a term exceeding one year; CAUSE NO. K95-560.

On June 28, 2013, MONCIVIAIS was convicted at the United States District Court, Southern District of Texas, Laredo Division, for 18 USC 922(g)(1) “Possession of a Firearm by a Convicted Felon”, a federal felony offense that is punishable by imprisonment for a term exceeding one year; Case# 5:13-cr-00570-1.

On May 9, 2014, MONCIVIAIS was convicted at the 49th District Court, in Webb County, Texas for “Injury to Child/Elderly/Disable with Intent to Cause Bodily Injury”, a 3rd Degree Felony Offense in the State of Texas, that is punishable by imprisonment for a term exceeding one year; CAUSE NO. C2013CRP263D1.

On October 6, 2021, Laredo Police Department (LPD) Officers were dispatched to a Sports & Outdoors retail store, located on the 5700 block of San Bernardo Ave, in Laredo, Texas, for a shoplifting incident. LPD Officers learned that MONCIVIAIS attempted to exit the store without paying for stolen ammunition. LPD Officers arrested MONCIVIAIS for theft of the ammunition.

On October 7, 2021, LPD Officers contacted Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) and informed ATF of the shoplifting incident involving ammunition. ATF queried MONCIVIAIS criminal history and confirmed that MONCIVIAIS is a previously convicted felon.

ATF went to the retail store and saw MONCIVIAIS on video surveillance cameras (recorded 10/06/2021) concealing ammunition inside his (MONCIVIAIS) shorts. ATF then observed retail store employees approach MONCIVIAIS near the front exit. ATF TFO further observed MONCIVIAIS taking the ammunition out of his shorts and placing the ammunition onto a counter near the cash register.

ATF identified the ammunition as fifty (50) rounds of 9 millimeter “Luger.” ATF determined that the ammunition was manufactured by “Fiocchi Ammunition USA” in the State of Missouri, and therefore affecting interstate commerce.
